

COURAGEOUS ACRES 2021

Inclusive Day Camp

We are committed to diversity, inclusion, equity, and opportunities for all children.

Let's get "Wild about Camp"... It's time that camp makes a comeback, and all of us, too! Parents and caregivers deserve a break from the extra responsibilities they've been carrying, children deserve the summer camp experience they've been missing, and our counselors and staff at Courageous Community Services are excited to make that happen!
